

The Magical Lore of Herbs

DEADLY NIGHTSHADE

(Atropa belladonna)

The deadly nightshade is most famous for its use in witches' flying ointments, thus its magical name is 'Witch's berry'. The herb is a powerful poison when ingested, so this is best avoided! When used in magical ointments, however, deadly nightshade was said to produce visions of a spiritual realm.

In magical ointments, deadly nightshade produces the sensation of flying.

"Not merely a herbal, but a treatise on magical properties, medicinal use, folklore and really useful information"
